

SBI launches 'Video Life Certificate' facility for pensioners

Chennai, Nov 2: With an aim to offer seamless life certificate submission experience for millions of pensioners (other than family pensioners), the country's largest lender State Bank of India (SBI), has announced the launch of the Video Life Certificate (VLC) facility. Pensioners from the comfort of their homes can schedule a video call with SBI staff at their convenience and complete the process of life certificate submission

without having to visit the bank branch. They have to log on to www.pensionseva.sbi click on Video LC and enter their SBI Pension Account Number. They will have to submit the OTP received on their registered mobile numbers. Once they have read the terms and conditions, they can click on 'Start Journey'. Pensioners will have to keep their original PAN card in place, click on 'I am ready', and grant permission to start the video call.

Launching the initiative, Dinesh Khara, Chairman, SBI said "We are glad to introduce yet another strategic customer-centric initiative especially for the benefit of senior citizens. We believe this facility will digitally empower pensioners and enable them to submit their life certificates without any hassle of visiting the branch amid Covid-19. We at SBI constantly work towards providing an extra layer of convenience and comforts to all our customers through the bank's customized tech-led products and services."

Mahindra's Farm Equipment sells 4,5420 units in October

Chennai, Nov 2: Mahindra & Mahindra Ltd.'s Farm Equipment Sector (FES), part of the Mahindra Group, today announced its tractor sales numbers for October 2021. Domestic sales in October 2021 were at 45420 units, as against 45588 units during October 2020. Hemant Sikka, President - Farm Equipment Sector, Mahindra & Mahindra Ltd. said, "We have sold 45420

tractors in the domestic market during October 2021 over last year. With rapid Covid vaccination drive exceeding 100 crore doses in the country, the economy has started gaining momentum, while rural economic activity continues to be resilient. The monsoon, though normal at cumulative level, has been back ended with heavy rainfall in September and October. This has resulted in delayed harvesting of Kharif crop, while leading to higher reservoir levels and moisture content for Rabi crop. Expectation of a good Kharif harvest, coupled with good preparations for Rabi crop and the upcoming festivities, will boost positive sentiments and drive demand in the coming months. In the exports market, we have sold 1597 tractors with a growth of 65% over last year."

CM hikes fishermen dole to Rs. 6,000, benefits 1.24 lakh families

Chennai, Nov 2: The State Government on Monday hiked the lean period dole given to fishermen families from Rs. 5000 to Rs. 6000 each. A total of Rs. 108 crore has been sanctioned for the purpose by Chief Minister M. K. Stalin. This was one of the election promises of the DMK. In the first phase, 1.24 lakh families living in 11 coastal districts starting from Tiruvallur to Ramanathapuram will benefit. The government has allotted Rs. 74.40 crore for this purpose and the money would be directly transferred to the respective bank accounts of the beneficiary fishermen, said an official statement here.

The lean period dole is usually given during the months of October-November when fishermen cannot go out to fish in the sea due to inclement weather. Fishermen in Kanniyakumari district, which comes under the West Coast would be given this amount for the period from January to March and those in Thoothukudi, and Tirunelveli would be get it between April - May - June 2022. The government also sanctioned Rs. 135.60 crore as its share of savings schemes for fishermen and fisherwomen, who are members of cooperative societies. The amount would be deposited in the bank accounts of the society members.

Govt announces two hours for bursting of green crackers

Chennai, Nov 2: The Tamil Nadu government on Monday made it clear only green crackers will be allowed to be burst on Deepavali on November 4 in the State and announced time slots of two hours to light firecrackers in line with the Supreme Court directive.

The government also urged the citizens to avoid bursting of joined (serial) fire crackers "which create huge noise pollution." "Only green crackers shall be used between 6 AM and 7 AM and from 7 PM to 8 PM on Deepavali," a press release from the Environment, Climate Change and Forest Department here said. Recalling the 2018 apex court directing that fire crackers can be manufactured only by using raw materials that will reduce emission levels, the release said the same has been reiterated in the court's October 29 order including banning the use of barium salts in firecrackers and manufacturing and selling of joined firecrackers. The Tamil Nadu Pollution Control Board (TNPCB) shall take action to create awareness among the public through schools, colleges, eco clubs and National Green Corps on the need to celebrate a safe and pollution-free Deepavali.

Cycle and Motorcycle rallies were also organised in the Field General Manager Offices and Zonal Offices. At Corporate Office, General Managers, DGMs, AGMs and other staff members participated enthusiastically and took the pledge.

TEC expansion, invests Rs. 200 cr

Chennai, Nov 2: The Executive Centre (TEC), Asia's largest flexible workspace provider, announced plans to invest Rs 200 crores towards its future expansion in India. The investment will be utilized to set up over 8 to 10 additional centres in the country across existing markets. The new centres will further augment TEC's position as one of Asia's largest flexible workspace providers. TEC aims to engineer an exemplary

experience for its Members while retaining its value proposition and commitment towards curating customized space solutions. Nidhi Marwah, Group Managing Director South Asia, The Executive Centre commented, "At TEC, we are continuously anticipating new ways to facilitate the growth of our organisation and our Members as well. Post the successful investment of Rs 100 crores in 2020, our outlook for the industry

remains bullish, encouraging us to double that investment to Rs 200 crores to facilitate future growth. This investment will ensure we continue to provide a melting pot of experiences, customized with an unparalleled finesse to our Members. The Indian market has always played a vital role in the success of TEC and our commitment towards the growth of this market remains unwavering."

Students accorded warm, traditional welcome

Chennai, Nov 2: In Tamil Nadu, students were accorded a warm, traditional welcome. Chief Minister M K Stalin visited a Chennai Corporation-run institution at Guindy and distributed education kits and sweets to children. He was accompanied by state ministers E V Velu and Ma Subramanian. Across the state, schools reopened for offline classes for the students of classes 1

to 8, with enthusiastic children being greeted by the traditional Tamil reception in some places involving Nagaswaram-Thavil instruments that are used for auspicious occasions like weddings. In many schools, teachers greeted children by sprinkling rose water and presenting them with flowers and chocolates. Most children seemed to be happy reuniting with their friends.

The state government had in September announced restarting physical classes for the primary students from Monday, saying the decision was taken based on feedback from medical experts, educationists and parents. Stakeholders had opined that students faced stress and a gap in learning as they were confined to their homes since last year, following the emergence of the pandemic, the government had then said. Students of class 9-12 resumed attending physical classes in schools in the state from September 1, this year.
